

EQUIPPED TO HEAL, EMPOWERED TO LEAD

ADMISSIONS OPEN 2025-26

About Us

Welcome to Apollo College and School of Nursing, Guwahati — an institution of excellence under the esteemed Apollo Hospitals Educational Trust (AHET). The Assam Hospitals Ltd. has transferred the ownership of "International Hospital School & College of Nursing" to AHET and accordingly renamed as Apollo School & College of Nursing, Guwahati after obtaining NOC from Govt. of Assam, Assam Nurses' Midwives' and Health Visitors' Council and Srimanta Sankaradeva University of Health Sciences, Guwahati for changing its name and ownership.

AHET, established in 1996 with a vision to advance education and develop skilled healthcare professionals, is guided by the foresight of our Founder Chairman, Padma Vibhushan Dr. Prathap C. Reddy, and the dynamic leadership of Ms. Preetha Reddy and Mr. V. Satyanarayana Reddy.

The Apollo institute at Guwahati was established in 2009 and has since been a center of academic excellence and clinical training. Today, our graduates proudly carry the Apollo torch across hospitals in India and abroad, delivering care with skill, compassion, and integrity.

Anti-Ragging Provision :

Apollo College of Nursing, Guwahati is declared a Ragging-Free Zone under Clause 3 of the UGC Regulations, 2009 on curbing the menace of ragging in higher educational institutions. Every student is required to affirm their commitment to this policy by submitting an affidavit stating that they will not engage in any activity that constitutes ragging as defined in the said clause of the UGC Anti-Ragging Regulations. If a student is found guilty of involvement in ragging, the institution shall take appropriate disciplinary action as per the procedures prescribed in the UGC guidelines.

Internal Posh Committee :

Apollo College of Nursing, Guwahati, has constituted an Internal POSH (Prevention of Sexual Harassment) Committee in accordance with **The Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act, 2013**. The aim is to ensure a safe, secure, and respectful educational and workplace environment for all employees and students of the institution. A structured redressal mechanism has been laid down under the Act, and the institution is committed to following all necessary procedures to address complaints effectively and promptly. The Internal Committee will take appropriate steps to prevent, prohibit, and redress incidents of sexual harassment, thereby upholding the dignity and rights of every individual on campus.

Guiding you from campus to career

At Apollo Nursing College, we are committed to preparing our students not only through education but also for successful entry into the healthcare workforce.

Our comprehensive placement program bridges the gap between academic learning and professional employment, equipping students with the skills and connections they need to thrive in the healthcare industry.

Strong Industry Connections:

Our robust partnerships with leading Apollo hospitals and other top healthcare institutions provide students with ample opportunities for internships and employment.

High Placement Rates:

The College has shown impressive placement rates with candidates securing jobs immediately after graduation.

Recruitment Drives:

Regular recruitment drives and job fairs by the institution enables healthcare organizations to recruit directly from campus.

Global Opportunities:

The institute also facilitates international placement through global connections in the healthcare industry leveraging the Global Workforce Development Program.

Our Career Support Services include Personalized Career Counselling, Resume Workshops & Mock Interviews.

Financial Aid & Opportunities

Our college facilitates the scholarship application process, assisting students in securing financial aid from various sources. Many students have received scholarships from the Minority Board, through the NSP portal, and other boards. Additionally students also benefit from SNA/TNAI scholarships based on criteria prescribed by the appellate authority.

NURSING EDGE

A FINISHING SCHOOL PROGRAM BY
GWD TRANSFORMING LEARNERS INTO
GLOBAL HEALTHCARE LEADERS

About the Program

A distinguished nursing educational training program, which is a transformative journey that empowers nursing students with the skills, knowledge and professionalism required for a successful career. By combining Clinical Expertise, Language Proficiency and Workplace Etiquette, the program ensures that academic achievers are not only highly skilled but also globally competitive.

It bridges the gap between academic training and real-world hospital needs. This program enhances hands-on expertise, improves communication, and fosters workplace professionalism. It builds confidence and prepares students to thrive in modern healthcare environments.

More than just training, it's a career-boosting step that opens doors to advanced roles, global opportunities and meaningful contributions to patient care.

Program Objectives:

- Enhance Clinical Expertise
- Instil Professional Etiquette
- Boost Language Proficiency
- Enhancing Job Readiness

Progressive Curriculum Structure

- The comprehensive curriculum is designed
- to cover the 3 essential domains:
- Clinical
- Professional Etiquette
- Language Proficiency

Each year's curriculum is thoughtfully designed to progressively elevate students' competencies, ensuring a well- rounded, confident nursing professional upon completion of the course.

Program Outcomes:

- Students will be well equipped to handle complex clinical scenarios with confidence and expertise.
- Nurses will develop a professional mindset, ensuring patient-centered care and adherence to ethical standards.
- Participants will have enhanced global career opportunities through internationally recognized training.
- Students will gain hands-on experience, making them job-ready from day one in healthcare facilities worldwide.
- The program ensures seamless integration into professional healthcare settings, reducing onboarding time for employers.
